

2024 IEEE R10 EXCOM Meeting

Date: 6 January 2024

2023 R10 Educational Activities Committee Report

Chi-Un (Leon) LEI
R10 Educational Activities Committee Chair

Project 1: Training by EAC

Virtual training by EAC

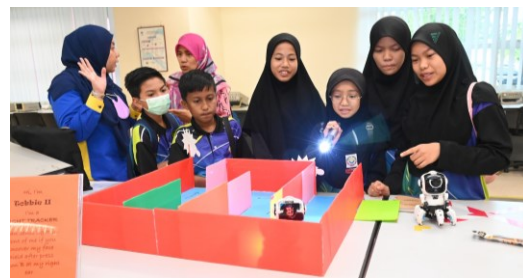

- ▶ Feb 11: “EAB/EdSoc products/grants and R10 EAC grants”
- ▶ Apr 4: “Analysis of the Connection of United Nations Sustainable Development Goals with the Educational Resources”
- ▶ Mar 25, Jun 16, Jul 2, Aug 17, Nov 18: Cross-Section student workshops on computational intelligence
- ▶ Nov 11: “Best practices of EA projects”

Project 2A: EA project development grant

EA project development grant (Pre-university, University, Continuing Education)

	# Submitted	# Accepted	# Completed
General: Life-long learning	8	6	6
General: Pre-university	22	10	10
General: University	35	20	13

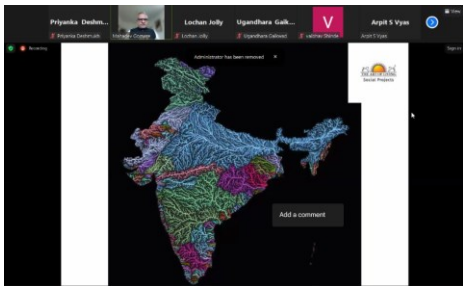

Project 2B: EA project development grant

EA project development grant - Theme-based (SDG-related, Cross-Section, IEEE Learning Network)

	# Submitted	# Accepted	# Completed
Theme-based: Cross-Section	1	0	0
Theme-based: IEEE Learning Network	8	1	0
Theme-based: SDG education	24	12	4

Project 3: EA Awards

▶ 2023 R10 Education Activities Outstanding Award

- Volunteer Award: Mayank Dubey (Madhya Pradesh Section)
- Group Award: Sri Lanka Section Educational Activities Group

▶ 2023 Educational Activities Board Award

- IEEE EAB Meritorious Achievement Award in Pre-University Education: Dr Gary KW Wong
- IEEE Section Professional Development Award: IEEE Delhi Section

2023
EAB Awards
IEEE Educational Activities Board

IEEE Delhi Section

Section Professional Development Award

"for creation and delivery of the weekly webinar series throughout the pandemic, impacting over 50,000 professionals across the Section, India, and other countries."

2023
EAB Awards
IEEE Educational Activities Board

Gary Ka Wai Wong

Meritorious Achievement Award in Pre-University Education

"for contribution to the research and knowledge exchange of computational thinking in interdisciplinary STEM education for pre-university students."

(Others) Collaborations with IEEE Education Society (EdSoc)

- ▶ Collaboration on TALE (EdSoc R10 conference)
 - Nomination of representatives on the steering committee
 - 10% financial share of the conference
 - Conference leadership incubation program
 - Supporting the organization of TALE 2025 and 2026
 - With financial support from the IEEE Education Society New Initiative Scheme
